ICOLUX

this term could be a short form for iconic or icon, signifying something or someone widely recognized and admired for their distinctive qualities. This symbolizes that our tile designs are unique and distinguished, setting a remarkable impression on people.

Imagine the ICO like the sculptor working tediously, each tile an individual masterpiece, a mark of excellence and craftsmanship. Just like an iconic sculpture, it stands apart in a crowd, giving off an aura that's unmatched.

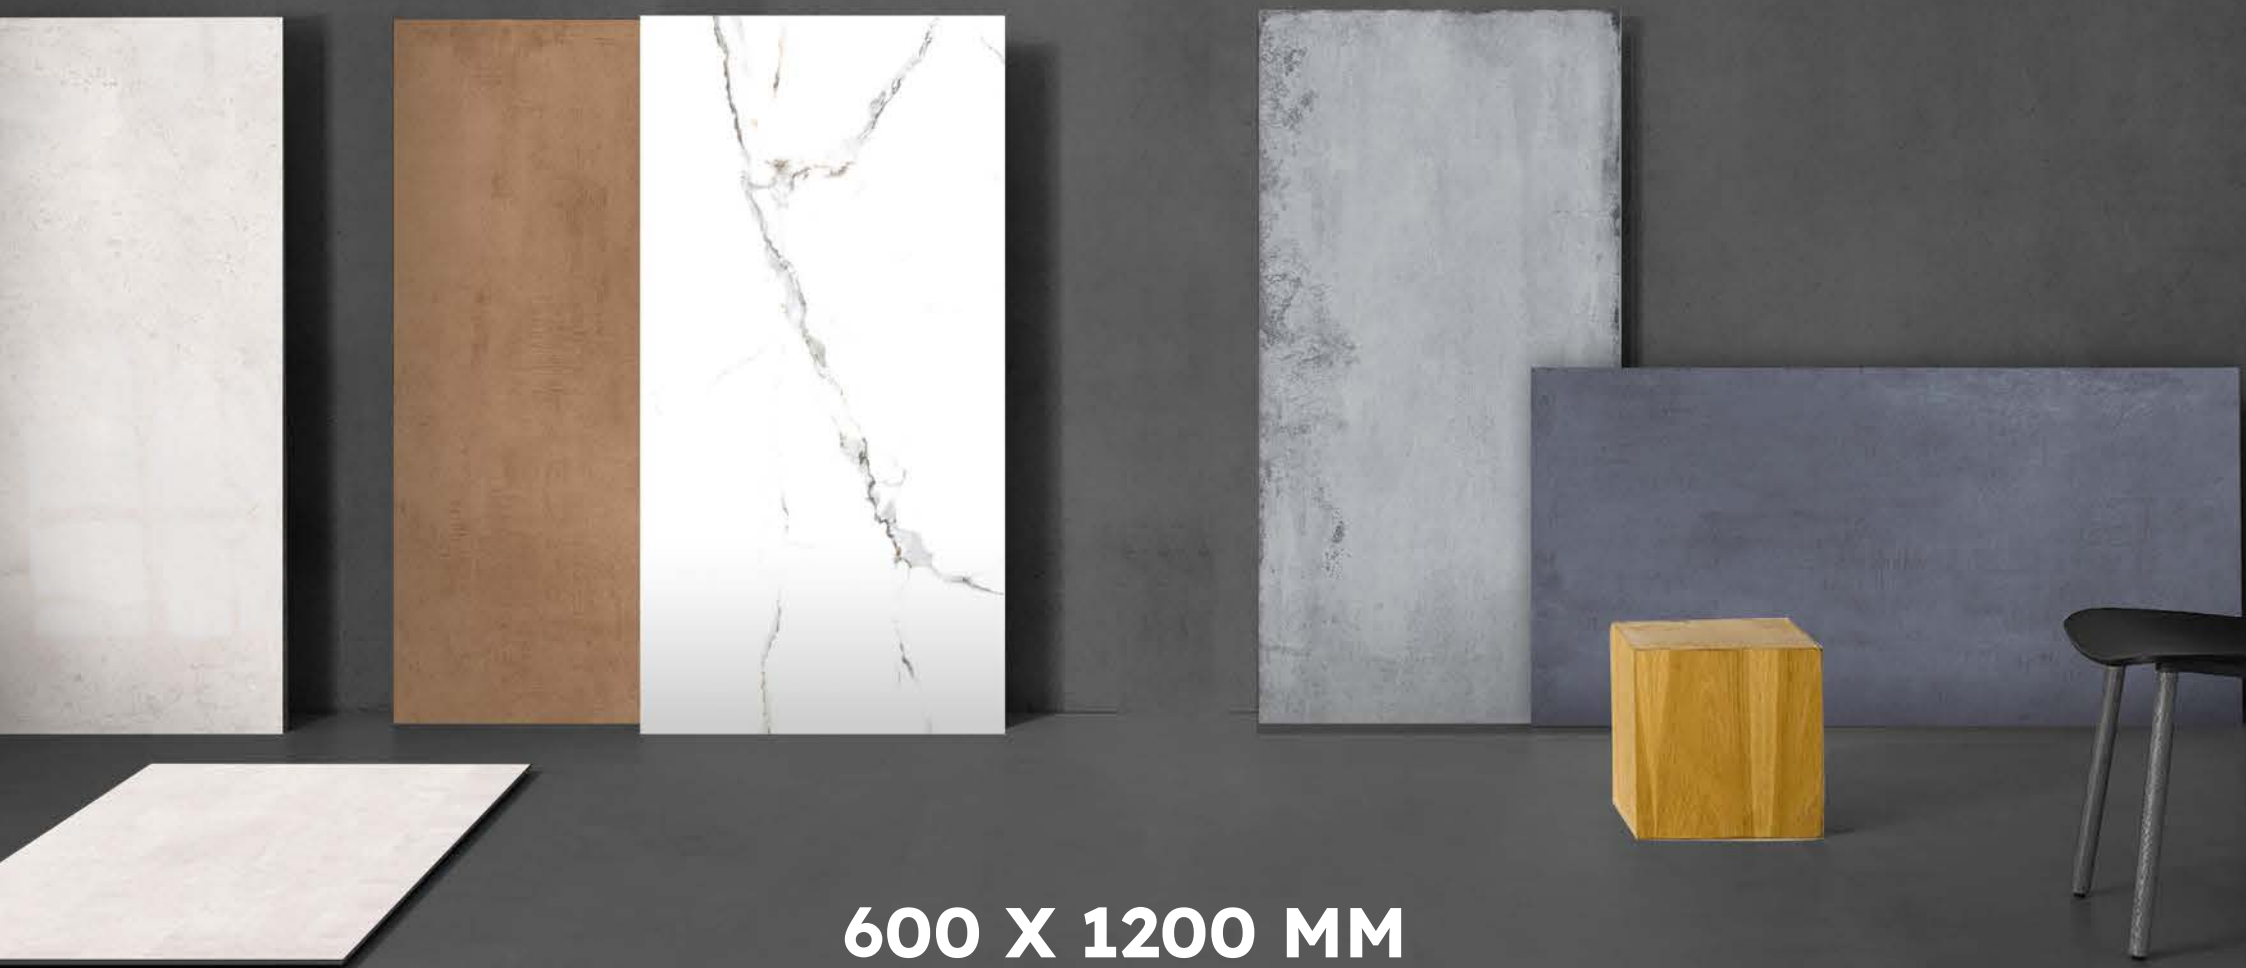

LUXURIES

"Lux" on the other hand, is short for "Luxuries," emphasizing the brand's commitment to providing high-quality, premium, and luxurious offerings. It symbolizes the brightness, the illumination your tiles bring to It transforms spaces from the mundane to the magical, casting a warm, welcoming glow.

Thus, 'ICOLUX', represents something like, "Every tile is an icon, a standalone masterpiece, bringing luxury and warmth into your spaces, making your homes not just places, but experiences to live in and cherish each day. Dwelling in the affinity of luxury and inviting architectures, every corner illuminated by ICOLUX speaks a story of elegance and uniqueness.
